"Erman Jones is outstanding as Halder, making the character and his moral dilemmas real for us."

*The New Monitor*

It is Erman Jones' non-verbal communication that stands out. Jones's gestures, grimaces and tics – even the gentle, childlike voice is dead on.

*Encore Michigan*

*The useless Sullen (Erman Jones) -- [is] simultaneously a lousy husband to Kate and a show-hijacking hilarious alcoholic buffoon.*

*The Rogue Critic*
